On behalf of the Parent Teacher Association at Forest Hill, **Welcome Back!!** Despite the ever-changing world and new challenges, our mission to provide valuable programs, services, and community building at Forest Hill continues! We intend to support all students, teachers, staff and families in impactful ways. Today we kick off the **Direct Donation Drive**, a hassle-free way to support Forest Hill. No selling! Every penny goes directly to enriching our children's education! We need to meet membership and fundraising goals to make the magic happen!

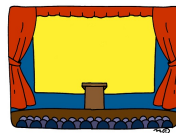

PTA DOES ALL THAT?! YES, AND MUCH MORE!
