Forest Hill Elementary School

SCIENCE • TECHNOLOGY • RECREATION • ENGINEERING • ARTS • MATH

SESSIONS:

Session 1: 9/5 - 10/27

Tuesdays:

Engineering Master Mechanics **

Widgets & Gadgets**

** 5-Week Session

Wednesdays:

Coast-to-Coast Soccer

Time: 1:25-2:25 August 28th- October 14th **School Drama Production**

Aladdin

Auditions: Aug. 28th Time: 2:47-4:47

Flyer to follow

Session 2: 11/6 - 1/19

Tuesdays:

Camp Fashionista

Thursdays: LEGO Education: Science

Exploration

Registration Opens: 10/16/17 Registration Opens: 1/8/18 Registration Closes: 1/26/18

Session 3: 1/29 - 3/30

Tuesdays:

Lego Education: Fun with Simple Machines

Thursdays:

Tuesdays:

Basketball

Coast-to-Coast Soccer

Session 4: 4/2-6/1

Cost: \$100

Cost: \$110

Registration Opens: 3/19/18 Registration Closes: 3/29/18

Registration Closes: 11/3/17

CLASS PESCRIPTIONS

- Basketball: Learn the basics of basketball in a fun after school setting. Learn sportsmanship & different basketball routines while having fun.
- Camp Fashionista: The perfect class for budding Fashionistas that want to take their first steps into the exciting world of fashion design and illustration! Students will learn the industry standard 9-head fashion figure with correct fashion proportions to create realistic fashion illustrations.
- Coast-to-Coast Soccer: Are you ready for some soccer fun? Coast 2 Coast Soccer is the first soccer program in the U.S that combines soccer with STEM. Join us in this exciting game with friendly competition; learn soccer skills using sequenced lessons while learning STEM principles in an outdoor environment. Bring your good sportsmanship to the field! Register early, space is limited.
- Drama Production: Save the date for our annual show! Aladdin will be performed on October 12th, 13th, 14th. Flyer with more details to follow.
- Engineering: Master Machines (Grades 3-5) During the Mechanical Engineering classes, students use the Engineering Design Process to design, create, test, and refine a variety of machines and mechanical systems. Students learn basics of fluid mechanics, simple machines, and other design and engineering concepts while constructing roller coasters, egg-drop vehicles, and an incredibly fast air powered dragster they keep at the end of the course.
- Junior Mechanical Engineering (Grades K-2) Widgets and Gadgets The Junior Mechanical Engineering classes introduce our youngest engineers to fundamental concepts of energy, materials, and movement. Through open and focused exploration, students explore and construct their own roller coasters, catapults, cars, and
- LEGO Education-Fun with Simple Machines: Simple machines is an engaging hands-on toll that uses real life LEGO elements to helps K-1 students learn and explore basic mechanical principles on how gears, levers, pulleys, wheels and axels work, while gaining early insight into science and engineering. They will investigate force, buoyancy and balance, and solve problems with through designs while working in a collaborative setting.
- LEGO Education: Science Exploration: Using LEGO WeDO 2.0 this class with strengthen students understanding of science and engineering practices such as asking questions, solving problems, prototyping, investigating and analyzing. Students develop competency through hands on projects across key science topics such as physical, life, earth and space sciences all while integrating the use of relevant digital tools to improve computational thinking skills.

** There must be a minimum of 12 students enrolled to hold the class**

HOW TO REGISTER

Register online at cusdextensions.asapconnected.com create your account unless you already have one and select desired class. To request paper registration please call 408.364.4200 x 6204 or email mballesteros@campbellusd.org

CampbellCare Discount: If enrolled & paid in full for CampbellCare, 20% off each class except those offered by outside contractors. Refunds will be given with a 2-week advance notice minus a \$15 processing fee. No Refunds after session has started. Classes have a maximum capacity. First come, first serve basis so early registration is recommended.

Classes are subject to cancellation due to low enrollment
