

**Math Kangaroo in USA**

*since 1998*

*International Competition in Mathematics*

Enrollment for MK 2019

*held on March 21st*

September 24 – December 15

Late Registration is \$35 December 16 – December 31 where space is still offered.

Forest Hill STEM PTA, in association with Ms. Khalid, is able to secure Forest Hill as a test center for Math Kangaroo USA competition, 3 years in a row. This is very convenient for Forest Hill students. Ms. Khalid was generous enough to **extend the facility to ALL and ONLY CUSD STUDENTS**. Please register siblings and friends in the neighborhood (please be courteous and only register CUSD students, facility has limited capacity).

**The participation fee is \$21.** Financial assistance is offered to families in hardship. Please contact [info@mathkangaroo.org](mailto:info@mathkangaroo.org). **Any student in grades 1 through 12 qualifies** if he or she can work independently: read and answer a multiple choice test. Each student receives a t-shirt, a certificate of participation, and a gift in addition to a competition booklet and a pencil on the test day.

Please visit <http://www.mathkangaroo.us>, go through usual registration process and provide **Invitation code:**
