

Next Phase

Starting May 3rd, 2021

Parent Information

Principal Coffee - Wednesday, April 28th @ 4PM

Beginning May 3rd, 2021

- “all kids, every day” is our goal
 - Students who are currently in our hybrid and attending school 2 days a week will begin attending 5 days a week
 - Parents who were not yet ready to return their students in person submitted their request with the District Office
- 

Rationale

- The majority of our families opted to phase in as guidance allowed back at the start of the 2020-2021 school year
 - The guidelines for spacing of masked students in a classroom has been reduced to 3 feet, allowing for more students in each room and removing the need for the A/B cohorts
 - Student engagement is higher during on-campus days
- 

Instruction

- Instruction will begin to resemble more of what it once was. That is not to say that we haven't learned how to better implement technology in respect to increasing differentiation, student productivity, and engagement. We believe Forest Hill teachers and students have gained many skills from 13 months of distance teaching and learning.
- Teachers have been encouraged to minimize technology use while in person to decrease screen time, but it will depend on the grade level and activities teachers plan.
- Teachers will also communicate if they need students to continue to bring their Chromebooks back and forth or return them.
